

## **10/22/2018      THE AUTHORITY OF THE SCRIPTURES Continued**

1 Corinthians 15:1-4 Is the clearest presentation of the gospel that saves us today.

We are not saved by any act that we do or by straightening out our lives.

Eph 1:13 The moment you believe, you are sealed – and you can't get “unsealed”.

Eph 2:8-9 makes it clear that salvation is a free gift and has nothing to do with our works.

We must understand when we open the bible, we are reading the exact words that God wants us to have.

Why the King James Bible ONLY?

Matt 4:4 For us to live by “every word” we must HAVE every word!

Fact #1: Every different version and translation do not agree.

Note: while this information may **seem** divisive or judgmental, this is not our intent.

There are strong correlations between what bibles we use today and church history.
